WELCOME TO A NEW TERM

It's been wonderful to see all the children back after the summer break hearing all about the exciting things they did during the Summer break and all their adventures with Family and Friends.

Summer break has sparked some wonderful conversations about different types of transportation (aeroplanes, trains and buses) and also their visitation to the seaside and farm.

We're excited to continue to learn more about these in the coming weeks.

OUR SEPTEMBER IN FOCUS

We focused our activities on "All about me" Children enjoyed sharing their favourite stories with the class about their families and favourite toys. They participated in "show and tell" whereby they tell mini stories about their favourite toys and books.

UPCOMING EVENTS

- Black History Month
- Minibeasts

Note for

you

Late pickup from the Nursery

The nursery closes at 6:30 PM every evening from Monday through to Friday, so please ensure your child is collected **before** this time. If your child is not collected at 6.30 PM then, a £1.00 charge per minute will be applied.

Please be advised that this will be paid in cash on arrival.

Field Trip

The Children went on a small trip to a nearby park where they had a picnic. That was a time away from their usual activities, The children built a strong relationship, had fun, played together and shared fruits.

Absence

If your child is unable to attend nursery for any reason, for example, your child is unwell or simply staying home for the day, please ensure that you call us on 02036325515 or send us an email at totallykidzdavnursery@hotmail.com by 9:00 AM. If your child is not in the nursery and we have not been informed we will call you to find out.

Black History Month

We will be celebrating Black History month on Wednesday, the 19th of October, 2022

Parents are to dress the children in their native wear and also bring in their cultural Foods to celebrate this day with us.

Open Door Policy

Please, be aware that our Open Day Policy is still available for parents/carers to pop in at any time. We are keen in working in partnership with parents if you should have any concerns.

What's happening in our Rooms?

We have had fun as we learnt more about ourselves and thanks to all our parents for your amazing co-operation as we were able to use the pictures and favourite things you shared with us for the learning and development of our kids.

TEDDY ROOM

In Teddy room we looked at the story of Gingerbread man and the children were able to build their vocabulary by learning new words example old woman, farmer, cow, horse, and fox which were some of the characters in the book. The children went ahead to bake gingerbread man and it was such fun as the children built a good relationship as they share the resources, they roll the dough and cut out ginger breadman.

Children exercised their fine and gross motor skills as we had both indoor and outdoor activities.

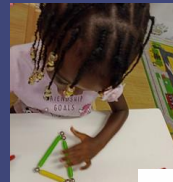

In understanding the world, we looked at animals such as wild animals. children learnt about their names example lion, tiger, elephant etc and also learnt about the sound they make.

CROC ROOM

The Children in the Croc Room demonstrated a high level of interest in sharing their favourite toys and fun facts about themselves as our focus was 'Me in the bag'.

They are active children who are always ready to learn new things daily. We aim to encourage them to get more involved in activities that would help in building their physical growth and all other aspects.

We would like to appreciate our parents for their constant support in achieving our goals for the children.

Our Update

June 2022, Issue 07
by Ms Andreen Brown

Fees increase

Due to the current high cost of living, there will be an increase in the Children's fees in the Nursery. Please, bear in mind that we are considering every parent at this time and will only be adding a total amount of £5 to the fees by January.
